****Internship Certificate**** This is to certify that ****Kiran Kuyate**** was a Software Development Intern with GREENIE WEB PTE. LTD. from ****27 January 2022 to 27 April 2023****. Kiran has excelled in full-stack development with HTML, CSS, and JavaScript. For the frontend, Kiran researched and implemented new User Interface (UI) designs. At the backend, Kiran successfully developed an API for database connection. This eventually led to Kiran's elevation to team lead where he coordinated with fellow members to further enhance the company's digital product. Kiran has been respectful and resourceful, demonstrating immense cultural sensitivity when working with our cross-border, multi-cultural team. As such, it is my pleasure to present Kiran Kuyate with this
